

# Taking down the official version of the Holocaust

March 03, 2018

A few information for those who don't know the subject.

In The First Holocaust: Jewish Fundraising Campaigns With Holocaust Claims During and After World War One), Don Heddesheimer gives us documentary evidence about the big amount of previous attempts of the jews to try to spread dishonest propaganda about fake atrocities before, during and after the World War One.

*The First Holocaust* tells with an amazing collection of press clippings and articles of propaganda from the beginning of the 20th century about the suffering and the imminent extermination of the 'European' Jewry. In these articles we can find the jews - decades before the break out of the WWII - mentioning dozens of times the **cabbalistic figure of the 6.000.000**, like the number of jews at the edge of the destruction and the death during many periods of conflict in Europe and Russia. Without doubt this **book exposes the deliberate falseness of this malicious Zionist campaigns** and mediatic bombings, much before the rise of Hitler to the power in 1933, designed to get the liking of the public and the financial support for their jewish political ambitions, principally for the establishment of the State of Israel in Palestine.

The obsessive mention of the cabbalistic **tale of the "6.000.000 jews dead"**, that dates from at least **four decades before of the events of the WWII**, undermines directly and refutes the idea that 6.000.000 jews perished in Europe between 1939-1945, as the jews say. **It was a lie then, and it stills being today.**

During decades the jews have **indoctrinated** generations of defenseless **young and adults of European ancestry in a complex of guilty and self-hate** for something that never happened.

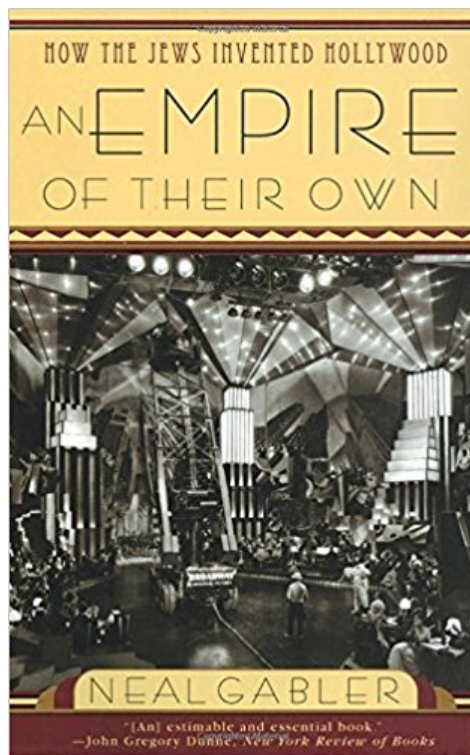

The 'Gentile' populations of the West have been flooded, during decades, with a never-ending avalanche of movies of Hollywood, TV programs, dramatic documentaries, books and memories, with an obligatory indoctrination in the schools about the "Holocaust"; mainly in the EEUU and Europe.

The main purpose of this **insidious campaign** of global propaganda is to instill in the gentile populations a **complex of guilt**, an **state of fear and paralysis that allows their enslavement** to the most united, ethnocentric and organized tribe of the Earth.

It's also designed to **discredit any critic to the Jews and the State of Israel, and chain the non-jews to a pro-jewish and Zionist vision of the world.**

The new generations, ignorants of the intentions of the System and unable to think by themselves blindly believe in the holocaustic mythology and rarely question what they learned once they reach the adulthood. The indoctrination in the jewish fiction of the 'holocaust' is **harming permanently the mind of our young**. Feeding forcedly this defenseless kids and adolescents, with distortion and falseness about the WWII to make them symphatize with the "chosen people" and their dirty Jewish causes like Zionism and Communism.

It's well know, although it's not mentioned tacitly, that the Jews control the Western Media and Hollywood. The Times of Israel published an article in the blog at the begins of 2012 with the title "Jews DO control the media", and the jewish writer Joel Stein boasted openly in Los Angeles Times about the jewish control over Hollywood and other aspects of the american culture, the government and the finances. Neal Gabler, an other jewish writer, wrote "An Empire of their Own: How Jews Invented Hollywood" documenting the jewish role in Hollywood.

**W**e Jews are a funny breed. We love to brag about every Jewish actor. Sometimes we even pretend an actor is Jewish just because we like him enough that we think he deserves to be on our team. We brag about Jewish authors, Jewish politicians, Jewish directors. Every time someone mentions any movie or book or piece of art, we inevitably say something like, "Did you know that he was Jewish?" That's just how we roll.

We're a driven group, and not just in regards to the art world. We have, for example, AIPAC, which was essentially constructed just to drive agenda in Washington DC. And it succeeds admirably. And we brag about it. Again, it's just what we do.

"Jews DO control the media", The Times of Israel, July 1, 2012.

Control the media means in the majority of the cases control the public opinion.

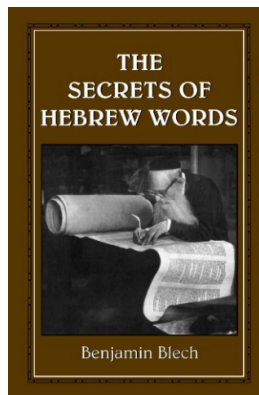

A question that everyone should make is:

“¿What is the meaning of the 'Six Million' figure and which is its origin?”

The mythical figure of the "Six Million" has interesting origins. The jews have **emphasized** unconditionally the number of the **6.000.000 since the years 1890 to 1945**. The Second World War ended in 1945 and since then the cabbalistic figure of the 6.000.000 has reached the status sacrosanct. This has been achieved by a repetitive, sordid and dishonest campaign in the media of news and entertainment, with the Hollywood industry as protagonist.

The investigation shows that the cause of this rare obsession with the number of the “6.000.000” comes mainly from an old religious prophecy in the Torah. In the prophecy it's foretells that before the jewish people can recover and reconquer Palestine to establish a jewish homeland called "Israel", 6.000.000 jews would have to perish first in an offering fire (the "Holocaust") as sacrifice to their bloodthirsty tribal deity, YHWH.

The jewish author Benjamin Blech, confirms it in his book “The secrets of the hebrew words” (J.Aronson Inc., 1991, p. 241).

These are the words chosen to be inscribed on the Liberty Bell. It is in the Jubilee year that "ye shall return every man unto his possession and ye shall return every man unto his family."

The Hebrew word for "ye shall return," תשובו (TaShuVU), seems to be spelled incorrectly. Grammatically it requires another ך (vav). It ought to read תשובוּך (TaShuVUk).

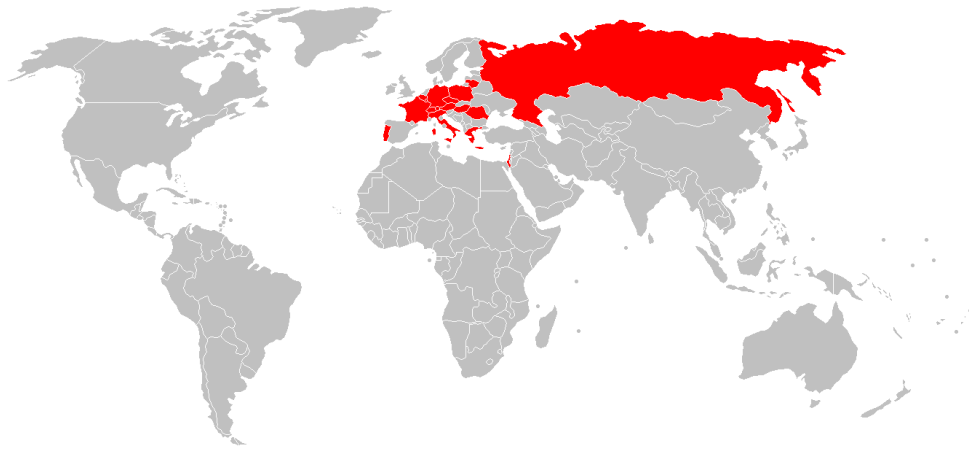

Why is it lacking the letter (vav) which stands for six? [TaShuVU] without the vav is a prediction to the Jewish people of ultimate return to their national homeland. TaShuVU in numbers adds up to 708: tav=400, shin=300, vav=2, vey=6. When we write the year, we ignore the millennia. In 1948 on the secular calendar, we witnessed the miracle of Jewish return to Israel. On the Hebrew calendar it was the year 5708. That was the year predicted by the incomplete word תשובו (TaShuVU), you shall return. We did return, lacking 6—an all-important 6 million of our people who perished during the Holocaust.

Yet the fulfillment of the prediction of return in precisely that year implied by the gematria of תשובו (TaShuVU) gives us firm hope that the words of the Prophets for Final Redemption will come true as well.

Today, the exaggeration of the **Holocaust™** has taken the form of an excentric forced cult and of **protected religious dogma in the West**, as it is **illegal to question**, discuss or deny it in more than a dozen of european countries under the threat of fine and jail. This unbelievable theory and complot proclaimed by Zionists is being used by tricksters and swindler jews as a lucrative business of biblical proportions that the jewish professor Norman Finkelstein called "The Holocaust Industry".

Below we have **many cuts of press and articles showing the cabbalistic number " 6.000.000", from the year 1900** and some of them are even previous to this year. Notice the permanent references of authors to the "six million Jews", the countinuous mendicity for the money and the land (Palestine), and the term "holocaust" used a long before the events of the decade of 1940. Also it is necessary to emphasize that the authors of the great majority of these articles of propaganda were the richest of the Jewish bankers of Wall Street, as well as leaders of the Zionist groups of pressure.

"The Hebrew National, of London, says that there are six millions of Jews in the world. It is a remarkable fact that the numbers of this wonderful people have not materially increased or diminished since the time of King Solomon. Persecuted as no other people have ever been, they have maintained their ancient faith, and though for hundreds of years they were liable at any time to be exterminated in almost any kingdom of Europe, and thousands of them were put to death every year, by the most cruel torments, yet they were not very much reduced in number during all those dark ages. Now that their persecutions have been generally stopped in all civilized nations, this fact does not seem to have caused the descendants of Israel to increase much,..."

"There is a reason for this difference in the increase of the Jewish people compared with that of all families of the earth. What is the cause of the strange phenomena we cannot yet tell, but it will be explained to future generations."

## *Population of the World.*

The latest and best authority gives the population of the globe at 1,350,300,000. In America, 72,800,000; in Europe, 287,000,000; in Asia, 798,000,000; in Africa, 188,000,000; in Australia and Polynesia, 5,300,000. These people speak about 3,000 different languages, and are cut up into 1,000 different religious sects. The adherents of the principal sects, recounting the whole population, are supposed to be nearly thus: Roman Catholics, one hundred and ninety-five million; Protestants, fifty-seven million, one hundred and thirty thousand; Mohammedans, four hundred million; Buddhists, three hundred and forty million; the six other Oriental churches, six million, five hundred thousand; other Asiatic religions, two hundred and sixty million; Pagans, two hundred million; Jews, six millions.

**JEWISH POPULATION OF THE UNITED STATES.**—A Jewish paper published in London says that of the six million Jews in the world, a quarter of a million are to be found in the United States. We have no accurate figures of recent date to confirm or correct this estimate, as our decennial census returns give no distinctive enumeration of Jews; but we judge from a number of facts before us, that the estimate of the London Jewish paper is far too low. Rabbi Gottheil, who is well informed, and careful in his language, says that the Jewish population of this city alone is over 70,000; and the Jews are to be counted by many thousands in all our large cities, including New Orleans, San Francisco, Chicago, St. Louis and Cincinnati. There has been a large immigration of Jews to the United States from various countries of Europe during the last twenty years; and the prosperity they have enjoyed has enlarged the current in this direction from year to year.—*New York Sun.*

An article published in The Weekly Kansas chief says that: "Six million Jews, in both hemispheres, await their destiny. The rumor of their return (to Israel)..."

The modern scoff of a portion of the Hebrews to whom Moses is no better than Mohammed, that a return to their own land is a dream dissolved by the potent virtue of American real estate, is nothing. Six million Jews, in both hemispheres, await their destiny. The rumor of their return—a rumor which has always made itself heard in every great crisis of the world's history, and which rests on immovable foundations, is renewed again not only in the streets of Stamboul, but in the Ghetto at Rome. The tradition, kept alive for centuries, amid all persecution, that the fall of the Tiara and the waning of the Crescent will strike the hour of Israel's uprising, or resurrection of her nationality, burns brighter with every token of the decay of Turco-Moslem power. Charlemagne and Haroun-al-Raschid knew the value of the He-

An article from the New York Times says that in the world there is 6 million jews and 2/3 parts of this live in Russia.

### HOW MANY JEWS ARE THERE?

An estimate accepted at the opening of a Jewish Young Men's Club in Glasgow lately, says the *Pall Mall Gazette*, as the lowest that could be entertained, stated the number of the ubiquitous race at **6,000,000**. It is distressing to hear that, with the exception of half a million, they are all in a state of political bondage. But the Young Men's Club just opened in Glasgow means to strive to cure that evil. "Did it not occur to them," asked a fervently-patriotic speaker of his more fortunate countrymen, "that, having obtained their own emancipation, a great deal fell upon their shoulders; that the Jews of the British Empire, and of France and America, if they were men with anything like pluck in their souls, would never rest content till they fought the battle for the great mass of their race who were still writhing under persecution. That was quite sufficient reason for the formation of Jewish associations, and he trusted that they, the young men of Glasgow, would not forget that in **Russia alone there were 4,000,000** of their race whose every step was dogged by that curse, that abuse of Christianity, religious hatred and persecution."

An article from the New York Times says that there is 6 million jews living in Russia.

**This territory was supposed in 1879 to contain about 25,500,000 inhabitants, of whom 3,000,000 were Jews. I say "supposed" because Russian statistics are wildly inaccurate, and are confessedly made up from tax lists, village registers, estimate of neighbors, and everything except actual counting. No better means exist now upon which to base a speculation as to the entire number of Jews in Russia. The number is placed all the way from 4,000,000 to 10,000,000. Probably the estimate of Paul Dimidoff, whose pamphlet published in Berlin last year is of great value on the whole Russo-Jewish question, of a total of 6,000,000 is most nearly correct. The Jewish rate of increase is almost as abnormally large as that of the French Cana-**

## THE JEWISH QUESTION IN RUSSIA.

[TRANSLATED FOR THE 'ARGUS' FROM THE  
'FRANKFURTER ZEITUNG.']

The situation of the Jews in Russia has become so serious, in consequence of the Government measures taken against them, that it inevitably occupies public attention throughout the civilised world. It is a remarkable coincidence that the wholesale exodus of Jews from Russia takes place on the eve of the 400th anniversary of their expulsion from Spain. It is true the Russian Jews are not compelled to emigrate by their Government, but the present *régime* in St. Petersburg has deliberately undertaken the task to make the further sojourn in Russia so impossible to its Jewish subjects that the despairing Jews themselves adopt this alternative. They themselves thus free the Government of Alexander III. from the shame of having decreed the forcible expulsion of the Jews, and, it is hoped, from the hatred and contempt of the civilised world, which such a measure must bring upon them. Deprived of nearly every opportunity to work or trade; with every career closed to Jewish intelligence; when lawyers are refused permission to practise, in spite of their diplomas, and the exercise of their profession is even forbidden to medical practitioners of the Jewish faith; when all State appointments are refused, and practically every career is hermetically closed against them—what is there left to the unhappy children of Israel but to turn their backs upon a country which treats them with such unprecedented, refined, and systematic cruelty. One must have seen their present unfortunate condition to believe in its possibility? It seems as if the Russian Government knew of no more exalted or vital task than to get rid as soon as possible of its six millions of Jewish subjects, and yet there is no doubt that the country would have small reason to rejoice if the Government succeeded in realising this *pia desideria*. For with the removal of its Jewish subjects Russia would

## THE FUTURE OF THE JEW.

An English Writer Believes That He May Work Out His Destiny In Armenia.

The majority of living Jews are subjects of the emperor of Russia. The Jewish question in Russia is regarded by the Russian ministry as an insoluble problem. Some six millions of Jews are pent up in the sixteen western provinces of Russia and the ten provinces of Poland. Rapid increase and low death rate of the "chosen people" impale their Russian rulers on the horns of a dilemma. Massacre is no longer available as an expedient for thinning out the superfluous Hebrew subjects of the czar. Pestilence possesses no terrors for the Jew; long residence in the slums of Europe has rendered his constitution immune against the terrors of smallpox or typhoid fever. If pestilence or massacre is not within the region of practical Russian politics, the ministry of which M. Pobedonostzeff is the responsible spokesman is equally unable to let the children of Israel go and to give them chances similar to those of the orthodox inhabitants of Russia.

One dire consequence of this overcrowding and constant multiplication of the inhabitants of Russian Jewry is the spiritual, moral and physical degeneration of its inhabitants. The continued misery, the absence of hope, the constant assertion of their inferiority by the ruling authority, have modified the original characteristics of the majority of the Russian Jews. They are not permitted to be gardeners, to hold land, to live in the country, or to take part in agriculture; and they are debarred from the healthy means of life open to the rest of their fellow-subjects. The consequence is that in order to provide bread for his family—the Jew marries early as a matter of course—many of them are compelled to resort to dishonesty in order to escape starvation.

Probably the five and three-quarters million or six million Jews under the rule of the czar form the unhappiest community on the face of the earth.

**SEVILLE**, April 12.—All Spaniards venerate the name of Isabel la Catolica, nor is the impressionable De Amicis the only foreigner who has trembled and wept before the enshrined memorials, jewel box, mirror, missal, and crown of her royal womanhood. She is a precious figure in poor Spain's sunset revery—a saint beneath a conquering standard, a silken lady in a soldier's tent. Yet this peerless, Queen, merciful, magnanimous, devout, "the shield of the innocent," caring supremely for the glory of God and the good of her country, gave consent, albeit reluctant, to the establishment of the Inquisition, Christianity's chief scandal and Spain's most fatal blight. So ironic were the stars of Isabel.

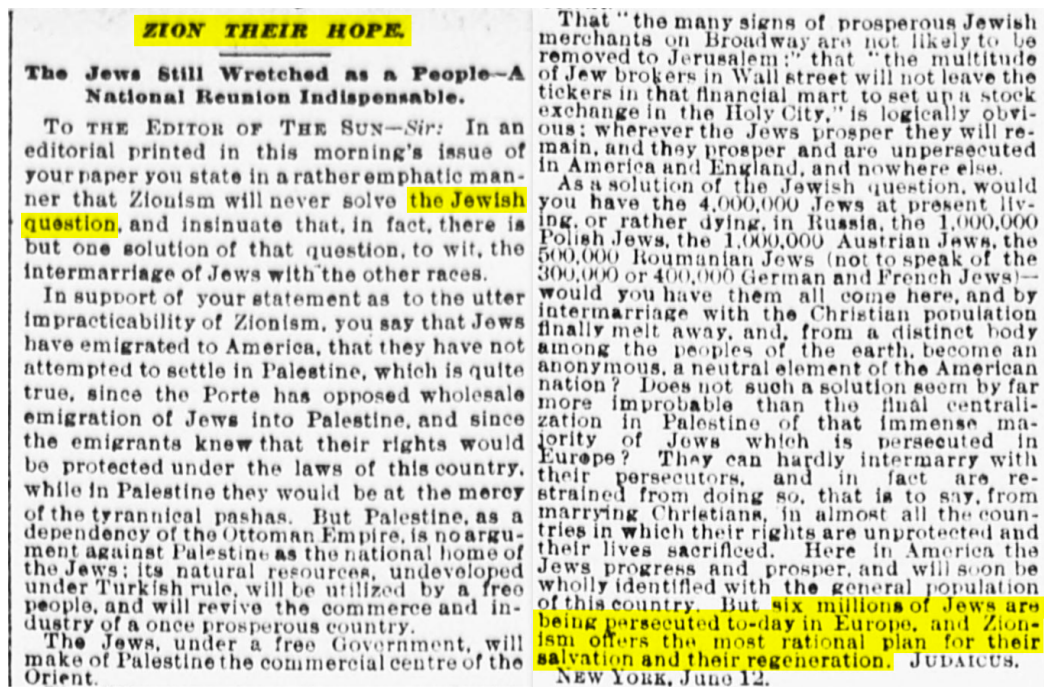

Wherever one moves in Spain the sickening breath of the auto da fé lingers in the air. In such a square, we read, was once a mighty holocaust of Jews; beneath our feet, we are told, is a mass of human bones and cinders. This sunshiny Seville,

The 'american' Zionist leader, the rabbi Stephen S. Wise, 'admitted' the real goal behind the holohoax: to **promote the public support to the Zionism** (and the occupation of Palestine).

#### RABBI WISE'S ADDRESS.

Rabbi Wise said, in part:

"The day will never come when I will care less for Zion, when there will be any one who will strive more for the glorious ideals of Zionism.

"Two great conventions of Jews are being held to-night. In Chicago there is a conference of charities called together by men who minister to the wants of the poor. They have assembled to see that too much charity is not given to the unworthy. Their purpose is right. But ours is the greater charity. We have assembled not to see that the Jew does not get too much, but that every Jew shall get the right to live.

"There are 6,000,000 living, bleeding, suffering arguments in favor of Zionism. They come not to beg, but ask for that which is higher than all material things. They seek to have satisfied the unquenchable thirst after the ideal. They ask to become once again the messengers of right, justice, and humanity.

"Your Christian friends will honor you if you have enough self-respect to care for your own people. Say that you are not a Jew, and you will be hated as a Jew, nevertheless. But say that you are an American Jew, and strive for the best principles of the race, you will be respected and the Zionist name honored.

"Of Israel and Zion one thing is true. They can conquer. God is our leader, and with the General of the heavenly hosts to lead who will say that we go not to victory?

"In the old Greek games, the man who won the race was not he who went fastest, but the one who bore a lighted torch to the end of the course.

"We Zionists have entered a race, the torch of liberty, charity, and justice in our hands.

"The race will be won, not because we are fastest but because that lamp is a light unto the world. It will never be extinguished.

"Come, brethren, the lamp is in your hands; run the race and may God give you the victory forever."

Other speakers were Dr. M. Mintz, Dr. Robert L. Halperin of Chicago, and the Rev. Dr. B. Drachman.

The Zion hymn by the Rev. Dr. H. Perelra Mendes, was sung at the conclusion of the speaking. The band of the Hebrew Sheltering Guardian Society Orphan Asylum, under direction of I. L. Fauerbach, played a number of selections.

## Must Be Settled in Russia.

"No matter how many Jews may immigrate, there will always remain a minimum of six or seven million Jews in Russia, and thus it appears quite evident that the Russo-Jewish question must be settled in Russia—settled promptly and thoroughly in the enlightened spirit which your imperial master has shown in so many other instances. This vexatious question will remove at once and forever a factor so damaging to Russia at home and abroad. The New York Times said that:

**POBIEDONOSTZEFF, RESIGNS.**  
**Chief Procurator of the Holy Synod**  
**Most Hated Man in Russia.**

ST. PETERSBURG, Oct. 31.—Constantine Petrovitch Pobiedonostzeff, Chief Procurator of the Holy Synod, has resigned.

Constantine Petrovitch Pobiedonostzeff, now in his seventy-eighth year, has been a prominent factor in the internal life of the Russian Empire for the last fifty years, and is the most hated man in Russia to-day.

Since his appointment as Procurator General of the Holy Synod, in 1880, he has persecuted the Jews, Lutherans, Catholics, and other dissenting sects with an unswerving fanatical zeal. **From 1890 to 1902 he caused 6,000,000 Jewish families to be expelled from Russia and sent thousands of Poles to Siberia. His watchword was "Russia for the Orthodox Russians." Cossacks were ordered to surround the Catholic churches in Poland and shoot down the congregations as they came out.**

Numerous attempts have been made upon the life of Pobiedonostzeff. He professed to be a victim of calumny, and said that he had been dishonestly denounced to the people. The last attempt was at the Tsarskoe-Selo Station, on July 20, when a student drew a revolver, but did not have time to fire it. A desperate attempt to kill the Procurator General was made in March, 1901, when a Russian official from the Baltic Provinces got into his library and fired five shots at him point blank, none, however, taking effect.

Pobiedonostzeff had the power to make new laws, and also to veto them. He fought steadily against the people, and was one of the most powerful factors in restraining the Emperor from giving them liberty. The Czar and the nobles feared him. He was against education for the masses because they could not use it in their calling, against the Parliament because it represented the personal vanity of the representatives, and against freedom of the press because he considered that it was already the most powerful and despotic thing ever conjured up by the brain of mankind. His religious persecutions earned for him the title of "The Modern Torquemada."

A Jewish publicist talked to an audience in Germany affirming that the Russian government had a "solution of the Jewish question", and that this solution meant the "extermination" of "6.000.000 Jews". Of course, Russians never had any kind of plan, but the fiction history was revived during the Second World War, in this occasion with the Germans as target of the accusations.

## Dr. Paul Nathan's View of Russian Massacre

**S**TARTLING reports of the condition and future of Russia's 6,000,000 Jews were made on March 12 in Berlin to the annual meeting of the Central Jewish Relief League of Germany by Dr. Paul Nathan, a well-known Berlin publicist, who has returned from an extensive trip through Russia as the special emissary of Jewish philanthropists in England, America, and Germany, to arrange for distribution of the relief fund of \$1,500,000 raised after the massacres last Autumn.

Dr. Nathan paints a horrifying picture of the plight and prospects of his coreligionists, and forecasts at any hour renewed massacres exceeding in extent and terror all that have gone before. He left St. Petersburg with the firm conviction that the Russian Government's studied policy for the "solution" of the Jewish question is systematic and murderous extermination.

Dr. Nathan read to the meeting a circular addressed to the garrison of Odessa, calling upon the soldiers to "rise and crush the traitors who are plotting to upset the holy Government of the Czar and substitute for it a Jewish empire." → 

He concluded with an appeal to the Jewish money powers of the world to arrest Russia's career as a borrower. The financiers of the world should call a halt to Russia, not only for humanitarian reasons, but for practical reasons. Russia's bankruptcy is an established fact, he added.

## **"Extermination of the Jews"**

### **Dr. Paul Nathan Says This Is the Policy of the Russian Government**

The anti-Jewish proclamation alleged to have been issued by the bureaucracy consists of a programme of twenty-two articles, including a demand for the expulsion of the Jews from all the cities of European Russia and Siberia into the pale, the prohibition of higher education for Jews, the prohibition of the stoppage of work on Jewish holidays, the levying of a lump sum of money from the Jewish population in lieu of military service, the réassumption of Jewish names where they have been changed, the prohibition to the Jews of certain professions, like the stage, and that none but the grandchildren of Jews who have accepted Christianity shall enjoy full legal rights.

**Dr. Paul Nathan, a well-known publicist,** who has made a tour of Russia, has undertaken on behalf of American, British, German and Jewish philanthropists to arrange for the distribution of funds for the relief of Russian Jews. He declares that the position of Jews in Russia is horrible. Massacres exceeding those that have occurred in the past may be renewed at any hour. Notwithstanding the personal assurances of Premier Witte and Minister of the Interior Durnovo that the Jews would be protected further outbreaks are to be feared. **Dr. Nathan is convinced that the Government's policy for solving the Jewish question is systematic extermination.**

## MAY EXTERMINATE JEWS IN RUSSIA

**Bloody Anti-Jewish Campaign is so Well Organized That Few Jews and Very Little Jewish Property Will Survive**

London, June 20.—Leopold J. Greenburg, honorary secretary of the English Zionist Federation, received a telegram this morning from a member of the Russian douma, stating that the bloody anti-Jewish campaign in Russia is so well organized and so vigorously supported by the bureaucracy that few Jews and little Jewish property is likely to survive.

"Only the douma," continues the message, "offers the slightest hope of staying the movement. Troops, wherever fighting threatens to go against the mob, fire on the Jews. Much property has been destroyed by means of dynamite, which is in the hands of the authorities alone. The Jews are entirely without protection. All other nationalities as such, merely stand aside. The douma will make desperate efforts to secure control of the administrative machinery of the government in order to stop the onslaught on the Jews and quell the bloodthirsty rioters."

The Jewish World has received the following from Dvinsk, also termed Daanaberg, province of Vitebsk, 110 miles southeast of Riga, dated June 18:

of an attempt on the life of General Trepoff, commandant of the palace, by a well dressed woman masquerading as Princess Nariabhin.

According to the rumor, the woman gained admittance to the palace and when Trepoff appeared she drew a revolver, but before it was fired she was seized.

The story is denied by the police.

## PASSAGE OF RATE BILL STILL IN DOUBT

**Three Amendments are Giving Trouble and Arguments Have not Yet Been Reached on Several More**

Washington, June 20.—From present indications the conferees on the railroad rate bill will not reach an agreement until some time next week, which in all probability will be the last week of the session. The purpose of withholding their report, it is said, is to avoid a repetition of the long debate in the senate which followed the recent report of the conferees. This debate resulted in sending the bill back to conference.

Conversations conferees have had with various members of the senate and house disclose that there are only three amendments that are giving trouble. These are the pipe line amendment which makes pipe lines common carriers, the commodity amendment, and that which requires that the interstate commerce commission shall be given five days notice before hearings are granted upon applications for injunctions setting aside orders of the commission.

There are a number of other amendments on which agreement has not been reached, but which could be adjusted easily by the conferees. Among these are the sleeper car and lateral branch line amendments. It is expected

## GENERAL SLAUGHTER OF RUSSIAN JEWS PLANNED

### Massacres to Begin In All Russian Cities Where Jews Are Numerous On the Jewish New Year In October. Jews Are Accumulating Arms to Fight Back

(News' Special Service.)

BERLIN, via Ashcroft, July 21.—A general slaughter of all the Jews who have refused or neglected to leave Russia has been planned by M. K. Rusehevan, the infamous anti-Semitic leader, according to information that has just been received here. Rusehevan is said to be the man who organized the horrible Kishinev program of 1903, which was the most ferocious massacre in the history of these attacks upon the Jews.

The statement is made that Rusehevan's new plan contemplates simultaneous attacks on the Jews in practically every city of Russia where they reside in great numbers. It is hinted, but, of course, is not definitely known, that these massacres are arranged to begin in the Jewish new year, which is early in October. The plot is the most daring and astounding that has ever been conceived by the large secret order of anti-Semites which is pledged to the extermination of all the Jews in Russia, who cannot be driven out of the country.

That there is substantial ground work for this information in regard to the conspiracy for a wholesale killing is borne out by the action of the Jews themselves. Profiting by their former experiences it is reported that they are accumulating arms in large numbers, and have, indeed, selected one building in each large city as a place of refuge which can be fortified and defended to the last man. Consequently this will be no one-sided massacre of peace loving Jews by fanatical and frenzied Gentiles, but in all probability a man to man encounter in which the gentle Jews will be fighting for their homes and all they hold dear.

### JEWISH CONDITIONS IN RUSSIA.

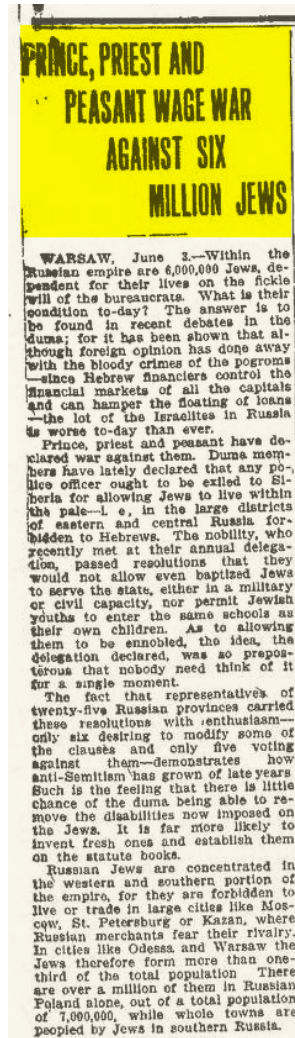

From year in to year out the condition of our unfortunate brethren in the domains of the Czar tell the same monotonous tale of persecution, massacre and tyranny. The news as reported in our last issue, that the Pale Bill is so far meeting with greater success than anticipated, would seem to good to be true. Even were the bill to pass the Duma it is almost certain that the Nobles, who are the real power in the land, would see to it that it does not receive the Czar's sanction. The nobility is anti-Semitic to the core and do not make any secret of their desire to exterminate the Jews, if that were possible. Even South Sea savages are becoming gradually civilized, but the Russian bear still lags behind, and there does not seem a ray of light in that benighted country even in the far distant future. The only salvation for the Russian Jew appears to be emigration. It is unfortunate that the majority of our brethren should be cooped up in the Russian Pale, and for six million people to seek a new home is no easy task.

The blood libel against the Jews, which cropped up from time to time in various countries for centuries, has long been established as a myth invented by anti-Semites. Even in Russia Alexander I., in 1817, and Nicholas I. issued ukases prohibiting the prosecution of so-called ritual murder cases "to make an end to the prejudice that the Jews use Christian blood for ritual purposes."

Sulzberger Secretary, and Felix M. Warburg Treasurer, and has issued the following appeal:

The American Jewish Relief Committee for Sufferers from the War appeals to you to aid, with the utmost generosity and self-sacrifice, the fund now being gathered to provide relief for the families of the Jewish people in various parts of Europe and Asia who have been deprived of their means of sustenance either through the killing or wounding of their bread winners, through the destruction of the towns in which they live, or through the resulting economic distress.

In the United States there are between 2,000,000 and 3,000,000 Jews, nearly all able to do something and yet, after months of work, we have not raised more than \$300,000. By HERMAN BERNSTEIN, Editor of "The Day."

SINCE the destruction of the Temple in Jerusalem the Jewish people have had no darker page in their history than that which the Russian Government is writing to-day. **Six million Jews, one-half of the Jewish people throughout the world, are being persecuted, hounded, humiliated, tortured, starved. Thousands of them have been slaughtered.** Hundreds of thousands of Jews, old men, women and children, are being driven mercilessly from town to town—driven by the Government, attacked by the troops of their own country, plundered and outraged.

"Dear brethren, have mercy on the **six million Jews** in Russia and take our part! Ask the Russian Ministers why we are being tortured so mercilessly. Our children are slaughtered in the Russian army. We are contributing large sums of money too. But we are attacked from all sides. We have no rights. We are driven from the villages. Wherever they can find filth they cast it upon us.

"O Lord, make an end to our sufferings! We have no strength to endure them any longer. This letter is written with tears and blood. I wanted to write much more, but I am sure that such a letter would not reach you.

The Topeka state journal: Rise Fund campaign for the "six million Jews in Russia who are facing starvation".

# JEW CAMPAIGN ON

## Topekans Plan to Raise Fund for Russian Sufferers.

### Big Meeting Held at Auditorium Sunday Afternoon.

Preliminary steps in a campaign to raise funds for the six million Jews in Russia who are facing starvation were taken in Topeka Sunday afternoon at an open meeting in the City auditorium. The local campaign is but a link in a chain of similar campaigns that are being conducted in all parts of the country, under the auspices of the central committee for the relief of Jews in Russia. Everywhere the campaigns are being pushed vigorously and local business men who have volunteered their services in the campaign promise that the work here will be started without delay.

Committees composed of active business men will start out this week to cover the city in the interests of the fund. Scott Hopkins, of the bank of Topeka, has been appointed treasurer of the fund and contributions to the local fund can be sent to him at the bank.

#### Urge Immediate Action.

Necessity for immediate action was urged at the meeting in the Auditorium Sunday afternoon which was attended by Jews and Gentiles. An appeal for assistance for the suffering Jews in Russia and for the breaking down of race prejudice was made by the Rev. Arthur Henderson, pastor of the First Congregationalist church.

Letters from Governor Capper and Charles Curtis, United States senator, endorsing the movement were read by E. W. Rankin who acted as chairman of the meeting. Mr. Rankin also gave a brief outline of the work that will be done in Topeka. Ike Gilberg described similar campaigns in other cities throughout the country. Sixteen thousand dollars has already been raised in Kansas City, according to Mr. Gilberg.

#### Interest Widespread.

Particular interest is being taken in the Jews at this time by publications throughout the country.

The American Magazine has been offering prizes for the best letters about the Jews. The prize-winning letters are published in the October number. One of these letters, written by a Jew, follows:

"The Jew is Dives; the Jew is Lazarus.

"The Jew is Karl Marx; the Jew is Rothschild.

"The Jew is Felix Adler; the Jew is a gunman.

"The Jew is a wanderer; the Jew clings to the Pale.

"The Jew is Shylock; the Jew is Baron de Hirsch.

"The Jew is Disraeli; the Jew is Herzl.

"The Jew is Spinoza; the Jew is Maimonides.

"The Jew owns Broadway; the Jew is homeless.

"The Jew is Judas; the Jew is Jesus.

"There are millions of Jews; 'the' Jew does not exist."

## Jewish Suffering and Armenian

To the Editor of The Tribune.

Sir: Reading your editorial of the 14th "Armenia," in which you rightfully condemn the Turks for the execution of Armenians, I wish to ask you what about Russia?

What the Turks are doing to Armenians is child's play compared to what Russia is doing to six million Jews, her own subjects.

This at a time when about half a million Jewish soldiers are fighting for the Czar, many of whom have been decorated, who shows their faithfulness. When the wounded return home, cripples for the rest of their lives, they find their homes gone, wrecked, not by an outside enemy but by the very government they served, their parents killed or exiled, their wives and sisters dishonored, their children starved and wandering.

Such things happened to tens of thousands in Russia is doing it to-day, and yet there is no outcry from the American press. It was the Ambassador to Turkey (by the way, himself a Jew) who protested against these massacres of Armenians. Was there any such protest from the American Ambassador in Petrograd?

You may blame Germany for what the Turks are doing. Can you also blame England or France for what Russia is doing? You also say that Russia is fighting for civilization. . . . I am not pro-German, as I am against militarism, but if that is the kind of civilization Russia is fighting for, then give me "German Kultur." I always thought The Tribune on the square, and hope you will enlighten me on that.

Jacob H. Schiff yesterday gave \$25,000 to the Hebrew Sheltering and Immigrant Aid Society of America on condition that it erect a new building within the present year. Harry Fischel, Treasurer of the society, said last night that the new building would cost \$200,000, but that as the society had 52,000 members he felt sure that there would be no difficulty in speedily raising the money.

The announcement of Mr. Schiff's gift was made at the seventh annual meeting of the society in the auditorium of Public School 62, Hester and Essex Streets. The meeting was attended by delegates of 2,000 organizations throughout the country which were affiliated with the society.

Among those present were James A. Reed, United States Senator from Missouri; Louis F. Post, Assistant Secretary to the Department of Labor; William Phillips, Assistant Secretary of State; Jacob H. Schiff, Congressman William S. Bennet, Adolph J. Sabath, Isaac Siegel, and Simon Wolf of Washington. The speakers were Senator Reed, Congressman Bennet, and Secretary Phillips.

Judge Sanders, President of the Society, in his annual report declared that even the wrongs of the Belgians could not be compared to the outrages heaped upon the Polish Jews. "Nearly **six million Jews are ruined**," he said, "in the greatest moral and material misery; millions of them are refugees, dependent upon the good will of their brethren."

According to his sister and fellow Menshevik, Lydia Dan, Martov had an 'inexhaustible charm that attracted people'.<sup>[2]</sup> As a result, some commented it was frequently difficult to record why they followed him, and he confessed himself that 'I have the nasty privilege of being liked by people'.<sup>[2]</sup>

He was an old friend and mentor of Leon Trotsky.<sup>[3]</sup> Trotsky later described him as the 'Hamlet of Democratic Socialism'.<sup>[4]</sup> Vladimir Lenin later confessed in 1921 that his single greatest regret was 'that Martov is not with us. What an amazing comrade he is, what a pure man!'<sup>[4]</sup>

For the first time ever, ordinary Russians can now see documents that appear to confirm long-standing rumors that Vladimir Lenin had Jewish heritage.

In a country long plagued by anti-Semitism, such heritage can be a significant taint, especially for the founder of the Soviet Union who is still revered by many elderly Russians.

## Stalin's Jews

We mustn't forget that some of greatest murderers of modern times were Jewish

Published: 12.21.06, 23:35 / [Israel Opinion](#) [share](#) [f](#) [t](#)

Here's a particularly forlorn historical date: Almost 90 years ago, between the 19th and 20th of December 1917, in the midst of the Bolshevik revolution and civil war, Lenin signed a decree calling for the establishment of The All-Russian Extraordinary Commission for Combating Counter-Revolution and Sabotage, also known as Cheka.

Within a short period of time, Cheka became the largest and cruelest state security organization. Its organizational structure was changed every few years, as were its names: From Cheka to GPU, later to NKVD, and later to KGB.

We cannot know with certainty the number of deaths Cheka was responsible for in its various manifestations, but the number is surely at least 20 million, including victims of the forced collectivization, the hunger, large purges, expulsions, banishments, executions, and mass death at Gulags.
